## Ongoing fundraiser

### Monthly purchase of food certificates

Greetings:

It's time to order Grocery Certificates. This does not cost you any extra money. You write the check payable to CHDCC. We purchase the certificates for the amount you specify, and CHDCC receives 5-6%. Your order is due by **last Friday of the month**. The certificates will be available the first Friday of the new month.

Harris Teeter does not participate in the grocery certificate program. Please register your VIC card annually (every August) before purchasing your groceries under CHDCC's number 3997.
